DELIVERY, SETUP & BREAKDOWN

Delivery, setup, and breakdown is offered at **no cost** Monday through Friday, 9am–5pm, within a 50-mile radius of downtown Atlanta. The 9am–5pm window is the timeframe in which delivery, setup, and breakdown must be completed. If LLL determines that a portion of a job may fall outside the no-cost window (even if started within it), after-hours fees may apply.

After-hours fees apply outside of normal business hours and on weekends:

12% window time, 17% specified time, or $300 (whichever is greater) — Monday through Saturday
15% window time, 20% specified time, or $500 (whichever is greater) — Sunday

Orders beyond a 50-mile radius of downtown Atlanta are subject to additional delivery terms.

There is a $1,000.00 rental minimum for delivery, setup, and breakdown from LLL.

Customer pickups are available for select inventory with a $200 minimum rental total. A 10% warehouse labor fee is added to all warehouse pickups.

Tech fees are applicable based on special equipment requirements.
